

BTHCC Philosophy and Ethics Curriculum

Through Religious Education we aim to equip the young people in our Catholic family with an enquiring mind and a reflective soul. To provide them with the tools needed for their faith journey. To produce religiously literate and engaged young people who have the knowledge, understanding and skills – appropriate to their age and ability – needed to reflect spiritually, and think ethically and theologically, and who are aware of the demands of religious commitment in everyday life.

A LEVEL PHILOSOPHY AND ETHICS
