Foreword by Rebecca Geoghegan, Associate Headteacher

Safeguarding children is everyone’s responsibility. Everyone who encounters children and families has a role to play.

Our Pupils’ welfare is our paramount concern. The governing body/board will ensure that Blessed Thomas Holford Catholic College will safeguard and promote the welfare of pupils and work together with other agencies to ensure that we have adequate arrangements to identify, assess and support those children who are suffering or likely to suffer harm.

Blessed Thomas Holford Catholic College is a community and all those directly connected i.e. staff members, Governors, parents, families and pupils, have an essential role to play in making it safe and secure here.

We believe that at Blessed Thomas Holford that we should provide a caring, positive, safe and stimulating environment that promotes the social, physical and moral development of the individual child.

We recognise the importance of providing an environment within our setting that will help children feel safe and respected. We recognise the importance of enabling children to talk openly and feel confident that they will be listened to.

We recognise that all adults within our School including permanent and temporary staff, volunteers and governors, have a full and active part to play in protecting our pupils from harm.

We will work with parents to build an understanding of our responsibilities to ensure the welfare of all children, including the need for referrals to other agencies in some situations.

We are committed to safeguarding the welfare of pupils it is our highest priority and we work hard to develop and maintain a ‘culture of vigilance’ to ensure that signs and symptoms of abuse are picked up and the opportunity for those wishing to cause harm to children is drastically reduced.

Purpose and principles

The purpose of this document is to ensure that all stakeholders are aware of the arrangements that Blessed Thomas Holford College have in place for safeguarding and promoting the welfare of its pupils/students. It provides guidance to help staff who may have concerns about the safety or welfare of a child, and sets out the school’s position in relation to the safeguarding process.

This policy:

- has been written in line with the Department for Education (DfE) statutory guidance – Keeping children safe in education, September 2018, and any other relevant UK legislation and government guidance.
- applies at all times when the school is providing services or activities directly under the management of the Blessed Thomas Holford College staff.
- is publically available on the schools website.
This policy is consistent with all other policies adopted by the Governors and should in particular be read in conjunction with the following policies relevant to the safety and welfare of children:

- Behaviour Policy and statement of behaviour principles (including Anti-Bullying policy)
- Staff Code of Conduct
- eSafety Safety Policy
- Whistle blowing Policy
- Children missing from Education Policy

All adults working in this School (including visiting staff, volunteers and students on placement) are required to report instances of actual or suspected child abuse or neglect to the Designated Safeguarding Lead who is a member of the school’s leadership team.

The Designated Safeguarding Lead is also the first point of contact for external agencies that are pursuing Child Protection investigations and co-ordinates the school’s representation at Child Protection Conferences and any other relevant meetings (including the submission of written reports for conferences). When an individual concern/incident is brought to the notice of the Designated Safeguarding Lead, they will be responsible for deciding upon whether or not this should be reported to other agencies as a safeguarding issue.
Arrangements are in place to ensure that at least one of the DSL trained persons in school is available when children are taking part in school led activity, this includes before and after school clubs and other extra-curricular activities. We have five DSL and Deputy DSL’s at Blessed Thomas Holford. Their mobile phone numbers have been shared with all staff. Staff are instructed that when planning an activity, they must ensure that they have these numbers with them and should they have a concern they ring the DSL / Deputy in the following order until they speak to a member of the DSL team: R Geoghegan, R Ward, T Tarry, P Worth, D Baskerville.

If a child is in immediate danger or is at risk of harm, a referral will be made to Trafford Council’s Multi-Agency Referral & Assessment Team/MARAT (children’s social care) and/or the police immediately. Anyone can make a referral. Contact details for MARAT can be found in Appendix 4.

All verbal conversations that take place regarding safeguarding concerns will promptly be recorded in writing.
Creating a Safeguarding Culture

It is important to us at Blessed Thomas Holford that all children feel safe and supported in our setting.

Safeguarding is our priority across all aspects of our work and our policy underpins the rigorous practice that takes place in the school to best protect our students.

All staff are aware of the categories of abuse, which are:

- Emotional Abuse
- Neglect
- Physical Abuse
- Sexual Abuse

The definitions of which can be found in the glossary, and signs and symptoms of the four categories of abuse can be found in Appendix 3. Staff are also made aware of other key safeguarding topics that; these are:

- Bullying & Cyberbullying
- Child Sexual Exploitation
- Children with SEN and/or disabilities
- Contextual Safeguarding
- Criminal Exploitation ‘County Lines’
- Domestic Abuse
- Early Help
- Female Genital Mutilation
- Gangs & Youth Violence
- Hate
- Peer on Peer Abuse
- Preventing Radicalisation & Extremism
- Private Fostering
- Relationship Abuse
- Sexting
- Trafficking

The definitions of the above can be found in the glossary. Information and learning relating to the above topics is shared in school, but staff are also encouraged to undertake their own learning. More information in relation to staff training etc. can be found in the ‘Staff learning and development’ section of this policy.

Additional to the above, Blessed Thomas Holfrod recognises the significant impact domestic abuse can have on children and young people, therefore we have signed up to Operation Encompass.
Operation Encompass is a system which facilitates the sharing of information relating to domestic incidents where children live or frequent. The process for sharing information through Operation Encompass can be found in Appendix 1.

Child Sexual Exploitation (CSE) is also a key safeguarding topic, which all staff are aware of and report their concerns regarding CSE via the schools normal reporting channels. The definition of child sexual exploitation can be found in the glossary. Signs and symptoms of child sexual exploitation can be found in Appendix 5.

Staff are directed to the NSPCC’s website for guidance on signs and symptoms of Female Genital Mutilation (FGM) - https://www.nspcc.org.uk/preventing-abuse/child-abuse-and-neglect/female-genital-mutilation-fgm/signs-symptoms-and-effects/. The school recognises and adheres to its mandatory duty to report any suspected or known cases of FGM about a female under 18 years old to the police.

If a member of staff becomes aware of a private fostering arrangement they will notify the DSL or their deputy as soon as possible, the DSL will then fulfil their mandatory reporting duty to all instances of Private Fostering to the local authority. Private Fostering is defined in the glossary.

All cases of known or suspected ‘Honour-based’ violence will be reported via the schools normal channels and the appropriate professional advice sought and external referrals completed.

Incidents of peer-on-peer abuse may need to be dealt with in various ways, incidents of bullying will be dealt with via the schools anti-bullying policy and behaviour policy. Incidents which take place outside of school may need to be addressed in school however the school are clear that where professional advice needs to be sought, it will be. The schools DSL will consult MARAT on matters relating to the safety and welfare of a child and will consult the police in respect of matters relating to a possible crime.

The school adopts the UK Council for Child Internet Safety guidance ‘Sexting in schools and colleges: Responding to incidents and safeguarding young people’ in respect of our response to sexting. This guidance clearly sets out how to handle incidents, should they occur and what preventative steps can be taken to educate young people. This guidance can be found in Appendix 6.

All staff are expected to refer to HM Government guidance ‘What to do if you’re worried a child is being abused – Advise for practitioners’ for further help in identifying signs and symptoms of child abuse and neglect. This guidance can be found in Appendix 3.

Robust systems have been established in school for dealing with safeguarding concerns. All allegations of abuse and neglect, whether suspected or known will be treated seriously and in confidentiality. Should a child make a disclosure to any member of staff they are to listen to the child and explain that they will have to pass the concern / information on to DSL / Deputy DSL. The member of staff should make notes of what was disclosed to them in the words of the child, they are not to make interpretations or generalisations. They are not to ask the child any questions about the disclosure. The member of staff should immediately see the DSL / deputy DSL and then following this log the disclosure in the words of the child on CPOMs.
All information is handled in line with the school’s Privacy Policy, which is written in line with HM Government guidance – Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers, July 2018.

Throughout school, safeguarding is taught as part of our curriculum. We appreciate that whilst adults in school are working hard to keep children safe, they too can play a large part in keeping themselves and their peers safe from abuse and neglect.

An age-appropriate curriculum is rolled out in school to build capacity amongst our students in their understanding of particular issues, and what actions they can take to be safe.

Our Pastoral Curriculum is wide-ranging and aims to give pupils the knowledge, understanding and skills to enable them to lead healthy lives and to participate in society as active and informed citizens.

Key themes are addressed in each year group via assemblies, form tutor period, PSHCE and Tutorial (Yr 11). These include health, personal and online safety, anti-bullying, respect and healthy relationships, personal finance and the British values.

Character education is central to our ethos. We value, model and promote specific character traits. These are: determination, having a positive mindset, personal organisation, self-control, good conduct, empathy and intellectual curiosity. By developing these traits we encourage our pupils to flourish and meet future challenges so they are better able to fulfil their potential and contribute meaningfully to society.

Mental health and wellbeing are extremely important to us and we recognise that, at times, pupils may feel anxious or worried. Through our pastoral curriculum pupils learn to recognise emotions and to understand how they might develop helpful strategies to manage them.

A range of activities are undertaken across the timetable designed to celebrate success, build community spirit, allow pupils to learn how to keep themselves and others safe and enhance learning. Social, moral, spiritual and cultural aspects of learning are taught across a range of subject areas and allow students to develop critical thinking skills.

Within the tutor programme and PSHCE framework students cover topics such as

- Personal wellbeing, sexual and mental health and substance misuse.
- British Values and the national Prevent agenda.
- Financial matters and the development of financial capability.
- Personal safety, online and in the wider community, avoiding exploitation and recognising cyber dangers.
- Careers development, business and enterprise.

Instances of children who are missing from education are dealt with under the schools children missing from education policy, which sets out the schools approach to tackling this issue, and the steps school will take when a child has poor attendance and/or are regularly missing.
To assist with the above, and other incidents, parents should ensure that the school has at least two up to date emergency contacts for their child/children. This is to ensure school have other means of contacting a key adult.

The school takes an active stance on meeting the duties placed upon them by the Counter Terrorism and Security Act 2015 (The Prevent Duty), and we have created a culture which embraces the fundamental ‘British values’. To ensure compliance with the Prevent Duty, the school:

- Ensure staff are able to identify children who may be vulnerable to radicalisation, and know what to do when they are identified
- Build resilience and capacity in the students by promoting the fundamental British values and enabling them to voice and challenge views in a safe space

The school understands that children with special educational needs and disabilities can face additional safeguarding challenges, and staff are to constantly challenge their own thought process in scenarios like this. This is to ensure that additional difficulties aren’t straight away related to the special educational need or disability, and that staff are considering the risk of abuse or neglect just as much.
Staff learning and development

Learning about safeguarding is given a high priority at Blessed Thomas Holford College. Expertise is extended effectively and internal capacity is built up. Managers ensure that staff regularly undertake a comprehensive range of learning to promote safe practice in classrooms, around the school and off site.

All new staff to the school have a comprehensive induction, this includes reading and understanding:

- Information sharing: advice for practitioners who are providing safeguarding services
- Part one and Annex A of ‘Keeping children safe in education 2018’
- School Behaviour Policy
- School Policy for Children Missing from Education
- Staff Code of Conduct
- This Safeguarding & Child Protection Policy
- ‘What to do if you’re worried a child is being abused’ guidance

Designated staff are trained in specialist areas of work, such as:

- Designated Safeguarding Lead
- Mental Health Champion
- Domestic Abuse Champion etc.
- Designated Teacher for Looked After Children

A variety of learning materials on safeguarding are made available in school to ensure staff continually develop their understanding and practice around safeguarding, these include:

- Leaflets
- Mentoring
- Online learning
- Posters in the staff room detailing referral processes and key topics
- Shadowing
- Staff handbook
- Staff induction pack
- Standing agenda item staff meetings
- Training
- Video
- Workbooks
- NSPCC (monthly) and Andrew Hall (weekly) email updates for staff and governors

All learning and training is documented as part of the member of staff’s personnel file, which also helps us map learning needs across the staff team for further development. A checklist is used as part of the induction process, and thereafter in the performance management process to ensure all compulsory learning has taken place. A blank copy of this form can be found in Appendix 7.
Safeguarding is always re-visited at least on an annual basis in staff performance management sessions, to ensure they are as confident and competent in carrying out their safeguarding responsibilities as they possibly can be.

All training events are offered out to all volunteers working in school and the governing body, to ensure they too have the opportunity to understand the processes and practices as they apply in the school.

Blessed Thomas Holford College has a strong working partnership with Trafford Strategic Safeguarding Board, which assists us in making sure that all of our learning and development activity is in line with statutory guidance, and other local guidance.

As and when required, other external agencies may be consulted to assist with staff learning and development.
**Safer Recruitment**

Senior managers and the governing body ensure that stringent recruitment and vetting procedures are in place for staff and other adults, and that nobody commences work unless all necessary checks are complete to a satisfactory level. The same rigour is applied when appointing volunteers.

Checks undertaken include:

- Enhanced Criminal Records Bureau Check
- Barred List Check (if working regulated activity)
- Two professional references
- Overseas police checks (if appropriate)
- Identity confirmation
- Confirmation of right to work in the UK
- Qualification check
- Confirmation of professional registration (if appropriate)
- Staff suitability declaration (if appropriate)
- Prohibition from teaching check (only if employed as a teacher)
- Establish confirmation of physical and mental fitness for the role

A member of the senior leadership team will take responsibility for ensuring that all relevant checks are carried out and documented on the school’s single central record. Supporting evidence for recruitment checks is included in the staff member’s personnel file.

Many of our senior leaders and governors have completed safer recruitment training. At least one member of every interview panel for a position working in the school (paid or unpaid) will be trained in safer recruitment.

Where children are involved in the recruitment process e.g. to conduct an interview, they are briefed for this role and for the need of confidentiality.

All contracts with supply agencies are specific about what checks need to be complete before any individual commences work at the school, and that they will be expected to present identification upon arrival.

More information can be found in Appendix 2 relating to when a barred list check would be carried out.

References will always be sought before confirming a person’s appointment, these will be written and about previous employment, this will check that information is not contradictory or incomplete. At least one reference will be from the candidate’s current employer. When a candidate is not currently employed, verification of their most recent period of employment and reasons for leaving should be obtained from the organisation where they were employed.
Managing allegations against professionals who work with children
An allegation is any information which indicated that a member of staff (paid or voluntary) may have:

- Behaved in a way that has or may have harmed a child;
- Possibly committed a criminal offence against or related to a child; or
- Behaved towards a child or children in such a way that indicates they would pose a risk of harm if they worked regularly or closely with a child.

This applies to any child the member of staff has contact with in their personal or professional life.

All staff are reminded of the schools Whistleblowing Policy, which may be found Y:/Y:\Staff\School Information\Policies 2018

Safeguarding or child protection allegations about members of staff must be reported immediately to the headteacher, or in their absence the Associate headteacher.

Allegations concerning the headteacher should be referred to the Chair of Governors, using the contacts details set out in the key information section of this policy.

These concerns will be discussed with the Local Authority Designated Officer (LADO) immediately. Contact details for the LADO for Trafford can be found in Appendix 4.

Initial discussions with the LADO will consider the nature of the allegation and the course of action.

<td>Child sexual exploitation</td>
<td>Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.</td>

<tr>
<td>Contextual Safeguarding</td>
<td>Contextual Safeguarding is an approach to understanding, and responding to, young people’s experiences of significant harm beyond their families. It recognises that the different relationships that young people form in their neighbourhoods, schools and online can feature violence and abuse.</td>

</tr>
<tr>
<td><strong>Early Help</strong></td>
<td>Intervening early and as soon as possible to tackle problems emerging for children, young people and families with a population most at risk of developing problems. Effective intervention may occur at any point in a child or young person’s life.</td>
</tr>
<tr>
<td><strong>Emotional Abuse</strong></td>
<td>The persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child’s developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.</td>
</tr>
<tr>
<td><strong>Female Genital Mutilation (FGM)</strong></td>
<td>Female genital mutilation (FGM) is a procedure where the female genitals are deliberately cut, injured or changed, but where there's no medical reason for this to be done.</td>
</tr>
<tr>
<td><strong>Gangs &amp; Youth Violence</strong></td>
<td>Defining a gang is difficult, they tend to fall into three categories; peer groups, street gangs and organised crime groups. It can be common for groups of children and young people to gather together in public places to socialise, and although some peer group gatherings can lead to increased antisocial behaviour and low level youth offending, these activities should not be confused with the serious violence of a Street Gang. A Street Gang can be described as a relatively durable, predominantly street-based group of children who see themselves (and are seen by others) as a discernible group for whom crime and violence is integral to the group’s identity. An organised criminal group is a group of individuals normally led by adults for whom involvement in crime is for personal gain (financial or otherwise).</td>

And other temporary staff supplied by an agency

An agency should determine whether an enhanced DBS check (with barred list check) is required based on whether the supply activity is regulated activity; the school should obtain written confirmation from the agency that it has carried out the appropriate checks.

*Activities listed under the guidance’s definition of regulated activity and which are carried out frequently.
