THE EDGE

Lord

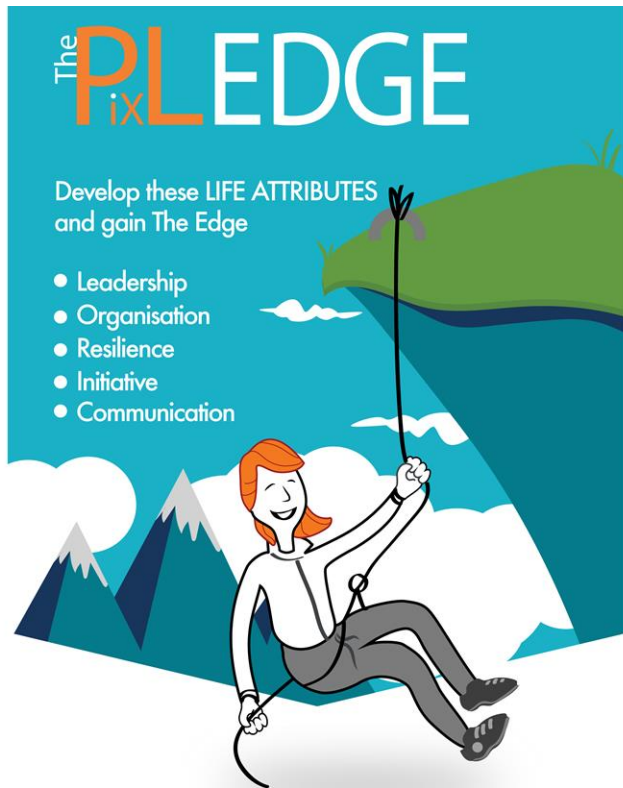

Make us better persons, more considerate towards others, more honest with ourselves and more faithful to you.

Make us generous enough to want sincerely to do your will whatever it may be.

Help us find our true vocation in life, and grant that through it, we may find happiness ourselves and bring happiness to others.

We ask this through Christ our Lord

Amen

Have you got The Edge?

Maybe you're in Year 9 and nearly an **Apprentice**; maybe you're in Year 7 and you've not started yet, or even a Year 10 (who can start at **GRADUATE** level) but **EVERYONE** can make sure that they have the **EDGE** over millions of other students!

Your Form Tutor will give you your Username and Password on a sticky label - put this in your planner now!

Log onto the PiXL Edge and start searching for **ACTIVITIES** that you can log and then be recognised for such as; being a **Form Captain**, **doing a Presentation in History**, **Fundraising**, **playing a musical instrument**, **leading part of a PE lesson** or **even teaching your Nana to use Microsoft Word!**

There are 100's of things you can log as your achievements both in and out of school and then when you have 10 - BINGO!

What is the PiXL Edge?

- An opportunity to develop important attributes for life:

- A personalised programme to make this happen for everyone; house merits and reward postcards home along the way
- Getting an award at the end of the programme for each level...Apprentice...Graduate...Masters – all recognised by Colleges, Universities and employers

What kinds of things can I log?

- **Leadership**; captain of the school football team, Form Captain, lead a 5 minute coaching session in PE/starter activity in any lesson
- **Organisation**; fundraising for a charity, fundraising for the future, a competition in school
- **Resilience**; karate belt, completed a dance award

- Log on using your own Username and Password (keep this safe)
- Choose your first activity and get writing!
- When you complete it – submit it and wait for your Form Tutor to respond
- Start thinking about your second activity!

For Apprentice Level

- Search in the database of activities to find something which is **suitable for you**
- You will need to choose **two** activities for each key attribute ... so **10** activities in total
- This could take up to **3 years to complete** – so no need to rush!

The Edge is important to everyone...

- Not a choice...it is an opportunity that you cannot afford to miss! This program will give you the **Edge!**
- Parents will all be receiving a letter too; there is also a link on our school website
- Any questions...see me after school/R2R

Father, I have knowledge, show me now how to use it wisely and find a way somehow to make the world I live in a better place for everyone.

Grant me faith and courage and put purpose in my days. Show me how to serve You in the most effective ways, so all my education, my knowledge and my skills, may find their true fulfilment as I learn to do Your will.

May I ever be aware in everything I do, that knowledge comes from learning, and wisdom comes from You.
